

# Vignobles de Romance SARL

BOMMES, LA TOUR BLANCHE, FRANCE • GUY & CYRIL de ROMANCE

## Chateau de Romance Grand Vin Blanc Sec

- 90% Semillon,  
10% Sauvignon Blanc
- 20 years vine age
- 38 hl/ha
- 17, 500 bottles produced

Benefiting from this great terroir, it is far from a basic Bordeaux and offers an incredible value for money. It boasts delicious aromas of yellow fruit and citrus with a beautiful freshness and a long complex finish.

## VINEYARD NOTES

Cyril was born in Bordeaux to a family of Oenologists and lived there until the age of 20 when he moved out for his studies and spent another 13 years in finance in London.

In spring 2014, a 5-hectare estate in Sauternes became available and Cyril jumped to the opportunity. These 8 plots of land are rubbing shoulders to the most famous first classified growth estates (Rayne Vigneau, Clos Haut Peyraguey and La Tour Blanche).

Beyond Cyril's own passion this is a friends and family project. The project gathered his father, Guy de Romance that brought his 40-year knowledge of the wine industry. The project also involved two very close childhood friends from Bordeaux. Charles Lemoine, an oenologist but also a very seasoned 15-year global wine distribution professional and Geraldine Giroux, marketing and communication director for prestigious wine Estates.

Upon acquisition they minutely studied the soil of each plots so as to achieve a comprehensive restructuring of the vineyard. Each of the 5 plots, spread over 3.5 are used for the Grand Vin Blanc Sec. It benefits from individual plot management and a sustainable winegrowing approach. This diversity allows for a rich aromatic palette of rare complexity. 90% of the vines are of the Semillon grape and 10% is of Sauvignon Blanc. Their average age is 20 years.

They aim at producing daring and unusual wines – a re-discovery of the potential of the Sauternes 'terroir' to produce dry white wines.
